Admission Process

There are two ways in which student can get admission in our institute:

- I. **Student can approach to management team to do the application formalities on their behalf with Counselling authorities. Process is as follows:**
 - a. Call our admission cell at 7876904920 and submit your query.
 - b. WhatsApp/Email your documents for eligibility check for the concerned course.
 - c. If Eligible you will be asked to pay registration fee to get your seat reserved.
 - d. After registration fee payment you will be asked to report to college with your original documents and student will have to deposit remaining applicable fee to get provisional Admission Letter from the college.
 - e. College will send your documents to the concerned counselling authorities and will do the proceeding on your behalf, however if needed then student may be asked to appear in person before the counselling authorities.
- II. **Student have the option to register themselves with counselling authority and put our college name in the first preference column. For complete procedure of Counselling, Student can visit Atal Medical & Research University, Himachal Pradesh Website: www.amruhp.ac.in**
